# Mission Statement

The mission of the Grants Management Directorate (GMD) is to provide timely grant reimbursements to subgrantees of the Homeland Security Grant Program (HSGP), Transit Security Grant Program (TSGP), Infrastructure Protection Grant Unit (IPGU), and all other subgrantees receiving homeland security funding. The GMD shall also provide programmatic technical assistance to all Office of Homeland Security (OHS) subgrantees while ensuring grant expenditures are in compliance with all state and federal grant requirements. The GMD was created to enhance and improve the overall customer service of the Governor's Office of Homeland Security (OHS), which merged with the Office of Emergence (Cal EMA).

# Fiscal and Reporting Unit (F&RU)

The F&RU is responsible for process in the requests for reimbursement from subgrantees across all grants, submitting Initial Strategy Implementation Reports (BSIR), Categorical Assistance Program Reports (CAPR) and the Monthly Accomplishment Summaries which are posted on the OHS website. The F&RU is also the lead in providing grant related information in support OHS's annual report, reports to the legislature and California's State Preparedness Report (SPR). The F&RU conducts several workshops throughout the year including Reports and Recordkeeping, Fiscal Management and Biannual Strategy Implementation Reporting.

# Homeland Security Grant Unit (HSGU)

The Homeland Security Grant Unit (HSGU) is responsible for the overall grant management of California's State Homeland Security Grant Program (SHSGP), Law Enforcement Terrorism Prevention Program LETPP), Urban Area Security Initiative (UASI), Metropolitan Medical Response System (MMRS), and Citizen Corps Program (CCP) grant programs. The HSGU conducts workshops throughout the state on grants management and grant application workshops. The HSGU is also responsible for the annual Investment Justification Planning Conference and

# FEMA Preparedness Grants and Authorized Equipment List

To determine which AEL categories are applicable for a grant, click on the grant record below.

### Buffer Zone Protection Program (BZPP)

BZPP provides funding to increase the preparedness capabilities of jurisdictions responsible for the safety and security of communities surrounding high-priority pre-designated Tier 1 and Tier 2 critical infrastructure and key resource (CIKR) assets.

### Driver's License Security Grant Program (DLSGP)

DLSGP is intended to address a key recommendation of the 9/11 Commission to improve the integrity and security of stateissued driver's licenses (DL) and identification cards (ID).

### Emergency Management Performance Grants (EMPG)

The purpose of the FY 2010 EMPG is to assist state and local governments in enhancing and sustaining all-hazards emergency management capabilities.

### Emergency Operations Center (EOC) Grant Program

The Emergency Operations Center (EOC) Grant Program is intended to improve emergency management and preparedness capabilities by supporting flexible, sustainable, secure, and interoperable Emergency Operations Centers (EOCs) with a focus on addressing identified deficiencies and needs.

### Homeland Security Grant Program (HSGP)

This core assistance program provides funds to build capabilities at the state and local levels and to implement the goals and objectives included in state homeland security strategies and initiatives in their State Preparedness Report.

### Citizen Corps Program (CCP)

The Citizen Corps mission is to bring community and government leaders together to coordinate community involvement in emergency preparedness, planning, mitigation, response and recovery.

### Metropolitan Medical Response System (MMRS) Program

The MMRS program supports the integration of emergency management, health, and medical systems into a coordinated response to mass casualty incidents caused by any hazard.

### Operation Stonegarden Grant Program (OPSG)

The intent of OPSG is to enhance cooperation and coordination among local, state and federal law enforcement agencies in a joint mission to secure the United States borders along routes of ingress from international borders to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders.

### State Homeland Security Program (SHSP)

### Equipment Inventory Ledgers for FY04 & FY05

On October 14, 2009 (Part 1)

To All California Emergency Management Agency (Cal EMA) Subgrantees-

We are respectfully requesting your assistance in compiling the Fiscal Year 2004 and Fiscal Year 2005 Equipment Ledgers from our subgrantees.

As you know, we have information for the pre-FY04 and post-FY05 awards; however, we will need to gather the FY04 and FY05 data in an attempt to meet our ongoing monitoring and audit requirements.

Consequently, we would appreciate your cooperation in completing the attached FY04 and FY05 Equipment Ledgers, where applicable, and submitting them to Christopher Sampang at <a href="mailto:Christopher.Sampang@calema.ca.gov">Christopher.Sampang@calema.ca.gov</a> no later than <a href="mailto:October 31">October 31</a>, <a href="mailto:2010">2010</a>.

## Equipment Inventory Ledgers for FY04 & FY05

On October 14, 2009 (Part 2)

Earlier spreadsheets will certainly be welcomed.

In this fashion we can ensure the Cal EMA continues to meet its federal reporting requirements on all homeland security grant program awards.

If you already have this data in another format, please submit those spreadsheets to the above individual.

Thank you all in advance for your cooperation and please contact me, your Program Representative, or the Fiscal and Reporting Unit should you have any questions.
